Age Well. Live Well.

At St. Mary Health Care Center our residents and our mission are at the center of everything we do. Beyond providing exceptional short- and long-term skilled nursing care, physical therapy, occupational therapy, speech therapy, strength training, pain management and memory care, our caring nursing and spiritual care teams offer opportunities for our residents to live engaging, full lives. Holistic, compassionate, nurturing care givers are sensitive to residents' personal needs – physical, emotional and spiritual. Delicious, healthy dining options; a wide variety of engaging activities; and a warm, welcoming environment will comfort your loved one.

Experience the difference our faith-based commitment makes in honoring those we care for and work with at St. Mary Health Care Center.

Rely on us when you need us the most.

St. Mary Health Care Center is a member of Covenant Health, one of New England's largest non-profit post-acute care providers. Founded in 1998, our Worcester, Massachusetts, community is committed to a compassionate ministry of holistic and innovative care that nurtures its residents' overall well-being. The ministry is a 124-bed nursing center offering compassionate, individualized short- and long-term skilled nursing, rehabilitation, respite services and palliative and hospice care, while ensuring residents' physical, emotional, social and spiritual needs are met. St. Mary Health Care Center also offers a certified memory care unit devoted to residents with Alzheimer's disease, Parkinson's disease and other memory care related conditions.
