

## **Activity Updates**

Family & Friends please note although there is no formal calendar at this time the Activity Team is committed to providing one to one visits and leisure opportunities to our Residents. We continue to provide Residents with the opportunity to face-time write and call loved ones. The staff is visiting with the Rosary room by room, delivering mail, playing dominoes, chess and scrabble. We have numerous independent projects including but not limited to word search, crosswords and adult drawing. Many

Residents prefer to have conversations about their families, many enjoy trivia and we have started planting seeds for our greenhouse. Back in March Judy helped Residents on 5 plant potatoes, the plants are flourishing. As the weather permits we have given Residents the chance for fresh air. Residents have also put up words of inspiration for the staff around the facility. Our new Thursday tradition is a novelty ice cream cart that enhances our beverage carts and other opportunities for refreshments. Lastly, many Residents are still in contact with their Holy Cross students for the next few weeks, until the semester ends.

**If you have anything you wish from us, or to assist your loved one with please contact Sandy at ext. 154 for floors 4 & 5, Stephenie at ext. 110 for floor 3.**
