

Healthcare Is Changing And So Are We.

We understand patients today have complex medical needs requiring enhanced clinical competencies. Covenant Health post-acute care ministries offer specialized care delivered with compassion and empathy. That's why St. Mary Health Care Center is a skilled nursing center you can rely on for 24/7 compassionate care, chronic disease and pain management, complex clinical interventions, respite care, rehabilitation and end-of-life care.

Think of us when you need more.
